TRAINING ATTORNEYS

Our cases are complex and require a high degree of skill and teamwork. We have developed formal and informal training programs to help junior attorneys attain a variety of legal skills critical to successfully litigating our cases. Such skill development sessions include legal writing, taking depositions, and negotiating with opposing counsel.

DEVELOPING TALENT

Berger Montague has also created an associate checklist that provides guidelines for fostering employee growth. We ensure that attorneys are getting the varied professional experiences they need to progress in their careers. Our firm promotes continuous mentoring and feedback. Senior attorneys are evaluated annually on their efforts to mentor and train their less experienced colleagues.

MENTORING ATTORNEYS

Our attorney development and mentorship program matches Associates with a Shareholder or Senior Counsel to help form important working relationships, nurture junior talent, and ensure that Associates meet well-defined annual goals.

RETAINING ATTORNEYS

Berger Montague has been litigating cutting edge cases for over 50 years. We explore creative new case theories and approaches. We encourage all attorneys at all levels to think expansively about how to use the law to represent our clients' interests and hold wrongdoers accountable. Once a case has been filed, as part of our deep commitment to development and teamwork, we encourage all attorneys to participate in shaping case strategy.

STAFFING CASES STRATEGICALLY

We evaluate each case and staff it in a fair and considered manner, based on the case's particular needs with an eye toward giving attorneys varied experiences.

JUDICIAL PRAISE

During the hearing where the Court granted final approval of a precedent-setting \$375 million class action settlement on behalf of a class of mixed-martial arts fighters in *Le v. UFC*, Judge Boulware praised “the investment, the quality of the representation in this case, [and] the hours spent” by the Firm and its co-counsel.”

— **Judge Richard F. Boulware, II., U.S. District Court of Nevada**

The Court praised the \$20 million settlement in the *In re: Platinum and Palladium Antitrust Litigation* observing that the Firm has “...considerable experience in antitrust litigation such as this...in addition to a host of successful settlements in antitrust and commodities litigation” and that the “high quality of defense counsel opposing plaintiffs’ efforts further proves the caliber of representation that was necessary to achieve the settlement. Plaintiffs’ opponents were well resourced global financial institutions. Plaintiffs secured a settlement that grants the settlement class financial relief, despite being opposed by well-funded defendants represented by top-flight law firms. The ability of plaintiffs’ counsel to obtain a favorable settlement for the class in the face of such formidable legal opposition confirms the quality of their representation of the class.”

— **Hon. Gregory H. Woods, U.S. District Court for the Southern District of New York**

“I think y’all have been a model on how to handle a case like this. So I appreciate the diligence y’all have put in separating the fee negotiations until after the main event is resolved...Everything I see here is in great shape, and really a testament to y’all’s diligence and professionalism. So hats off to y’all...So thanks again for your professionalism in handling this case and handling the stipulated settlement. Y’all are model citizens, and so I wish I could send everyone to y’all’s school of litigation management.”

— **Judge Brantley Starr**

“It is just a joy to be in a courtroom with such talented lawyers. It’s really the best experience from a judicial perspective in court when you engage in this discussion with real experts who are here to try to educate and persuade.”

— **Judge Richard F. Boulware, II., U.S. District Court of Nevada**

JUDICIAL PRAISE

“We sitting here don’t always get to see such fine lawyering, and it’s really wonderful for me both to have tough issues and smart lawyers...I want to congratulate all of you for the really hard work you put into this, the way you presented the issues...On behalf of the entire federal judiciary, I want to thank you for the kind of lawyering we wish everybody would do.”

— **Judge Faith S. Hochberg**

“You are extraordinarily impressive. And I thank you for being here, and for your candid, non-evasive response to every question I have. I was extremely skeptical at the outset of this morning. You have allayed all of my concerns and have persuaded me that this is an important issue and that you have done a great service to the class. And for that reason, I am going to approve your settlement in all respects, including the motion for attorneys’ fees. And I congratulate you on your excellent work.”

— **Judge Harold E. Kahn**

Judge Janet C. Hall of the U.S. District Court of the District of Connecticut praised the result of our Insurance Practice Group in achieving a \$72.5 million settlement in 2010 in the case of *Spencer v. The Hartford Financial Services Group, Inc.* (the detail of which are summarized above). Among other things, Judge Hall found that “but for counsel’s outstanding work in this case and substantial effort over five years, no member of the class would have recovered a penny....[I]t was an extremely complex and substantial class and case.” See *Spencer v. The Hartford Financial Services Group, Inc.*, No. 3:05-cv-1681, Dkt. 268 at 71:15 to 73:5 (transcript of final settlement approval hearing on Sept. 21, 2010).

— **Judge Janet C. Hall, U.S. District Court of the District of Connecticut**

“I do want to compliment all counsel for how they litigated this case in a thoroughly professional manner. All parties were zealously represented in the highest ideals of the profession, legitimately and professionally, and not the usual acrimony we see in these cases...I commend the parties and their counsel for a very workmanlike professional effort.”

— **Judge Joel Schneider**
