

**Associate Attorney
Consumer Protection Litigation
Philadelphia, Washington, DC, Chicago, Minneapolis, San Diego, San Francisco**

WHY THIS OPPORTUNITY IS DIFFERENT

Most litigation firms ask you to defend corporations from accountability. At Berger Montague, you do the opposite at the highest level of the plaintiffs' bar.

Our Consumer Protection Department handles some of the most consequential class action litigation in the country. Our docket spans consumer fraud, false advertising, defective products, data breaches, Fair Credit Reporting Act violations, and other unfair trade practices affecting millions of consumers. We go up against the biggest defense firms in the country and we win.

This is a position for an associate who wants to be in court, not doing document review. This position is for people who want their names on briefs that matter, not just time entries.

This is a rare opportunity to practice sophisticated civil litigation at scale while fighting for consumers who have been deceived, defrauded, or harmed by corporate misconduct.
